The ecolabelling organisation hereby confirms that the above product/products have been registered for using the Nordic ecolabel on the Danish market. If the licence that is now valid is altered, new registration shall take place. The registration is valid up to the above date, provided that the ecolabelling licence is valid, if notice of cancellation by the holder of the registration or the ecolabelling organisation has not been given at least three months beforehand. The registration will be revoked with immediate effect if the "Regulation for Nordic Ecolabelling of products" or the ecolabelling criteria for the product group are disregarded.
